PRICE GUIDE 2026

Please keep in mind that these prices are an indication only, as final pricing is dependent on surface, paint and ink colours, amount of text, additions etc. A quote will be provided based on your requirements. Floral or detailed illustrations can be added to your signs for an additional fee.

All prices exclude delivery and shipping - this will be calculated based on the size of your order and your delivery address. Collection from Orange can also be arranged.

All signs are hand crafted to order, and are fully customisable to suit your colour scheme, theme etc. Where possible, I select eco-friendly and low-tox materials.

A 50% non-refundable deposit is required to secure your date, with the balance due prior to dispatch.

Please allow at least 6 weeks lead time. Rush orders are subject to availability and will attract a rush fee.

Signs are completed and delivered prior to your event - I don't install signage on the day. Stands for your signs can be included in your package for an additional fee if required (I recommend checking with your venue, wedding stylist or hire company - some have easels and stands available for use or hire).

If you have any ideas not listed in this document, or any questions about how your ideas could work, please don't hesitate to get in touch - I'm more than happy to help.
